“Day for Strings” is a wonderful opportunity to share your music with others and to develop good audience and listening habits as well. Remember to always be a polite listener while others are sharing their music (just as you want them to when you are performing). All students and parents are requested and expected to remain in their seats until the entire program concludes. Parents – please wait until all students are out of the gymnasium before leaving your seats. We will dismiss the 8th grade students to their coat rooms where you can pick them up. We’re looking forward to a wonderful day! Best, Mr. Kennedy, Ms. Mihalko, and Ms. Vargo
