*****HOW TO SIGN UP FOR THIS FIELD TRIP (sign up during lunch periods only)**

Students need to bring **2 things** in to sign up for our field trip. They will need to bring their payment (CASH or CHECK made out to **Power Middle School**) and the attached enrollment form **during their lunch period** on the following days:

Tuesday, Feb. 28th, Wednesday, March 1st, or Thursday, March 2nd.

Teachers will NOT be collecting field trip registrations. Instead we will have parent volunteers at a table in the cafeteria where students should bring their payments. Students will be issued a receipt in the order that the payments are received. **Please note** that to be sure you secure a spot it is important to get your form and deposit in as early as possible. It is our desire to include every interested participant, but if space/bus limitations should arise, participants will be included on a first-come-first-served basis.

COST OF FIELD TRIP

In order to secure a spot for the trip, all students (and chaperones) are asked to fill out the appropriate **enrollment form and to bring the \$35.00 (add \$2 for vegetarian lunch = \$37) payment for each participant (child and chaperone) to school by February 24th. Payment can be made by CASH or by CHECK. If paying by check please make it payable to **POWER MIDDLE SCHOOL**, and please include your child's name in the memo section. Due to the fact that buses and tickets must be reserved well in advance of the game, payments for the trip are non-refundable.**

The price of the trip includes transportation to and from Toledo via luxury motor coach, ticket to the game, a lunch that includes hot dog, chips, and drink (a vegetarian option is available to those who have dietary requirements for an additional \$2) and a Farmington Instrumental Music t-shirt that will be worn on the trip.

****It is not our desire to exclude any student due to financial reasons. Students in need of financial assistance should see their music teacher as soon as possible, and **no later than FRIDAY, February 24th.** ****

CHAPERONES (We really need you ☺)

In addition to six teacher chaperones, we are able to provide a fun-filled Tuesday for a limited number of parents who want to help the kids with their performance and watch the game. **Chaperones are expected to ride the bus to and from Toledo.** Due to the nature of chaperone responsibilities, we can not accommodate siblings on the trip. If you would like to chaperone this trip, **please submit the chaperone form and \$35 (add**

\$2 for vegetarian lunch) payment with your child's payment. If more chaperones sign up for the trip than we can accommodate, we will take them in the order they signed up.

FIELD TRIP ELIGIBILITY REQUIREMENTS

The Power and East Middle School music departments plan trips to provide excellent, musically oriented educational experiences for our students, and to reward them for quality effort and good behavior throughout the year. The students earn this reward by demonstrating a consistent record of individual effort and respectful behavior towards classmates and adults. Listed below are the criteria that must be met to participate in the Toledo Mud Hens trip. Students must meet or surpass these criteria in order to participate.

To attend the field trip, students must meet normal standards of appropriate classroom/rehearsal behavior. Students must show respect and courtesy to their peers, teachers and guest teachers. Normal standards of appropriate behavior include:

- Prepared for class daily with instrument, music, and pencil
- Participates properly in class, shows consistent cooperation
- Demonstrates respect and care for instruments and equipment
- Maintains Good or Outstanding in Citizenship in band or orchestra, and O, G, or S in all other classes
- No unexcused absences from performances
- No school suspensions for serious offenses (per school code of conduct and teacher and administrator decision)
- Any student participating on the trip is required to stay with the group at all times and must travel on the bus to and from Toledo.

WHAT IF MY CHILD DOES NOT MEET THE FIELD TRIP ELIGIBILITY REQUIREMENTS?

Notification: Any student not meeting the above field trip eligibility requirements as determined by the instrumental music department, and therefore not eligible for participation on the Toledo Mud Hens trip, will be notified in writing. **Due to the fact that buses and tickets must be reserved well in advance of the game, payments for the trip are non-refundable.**

PERFORMANCE OF NATIONAL ANTHEM - AUDITION REQUIREMENT

Students will be required to audition and demonstrate proficiency in playing the Star Spangled Banner. This music will be taught and rehearsed in class. We will help your child understand the audition expectations, but their success will also require dedication through consistent home practice. Proficiency will be determined by the music teachers through a series of assessments prior to the trip. The audition to perform at the game will require **a well-polished performance of the Star Spangle Banner by memory.**

Memory is a challenge for many students and adults alike, but it is a necessary requirement due to a 5-minute time limit to get on the field, perform, and to get off. This is a great performance opportunity for students but one that requires a higher level of achievement due to the performance venue. It is our hope that all students achieve this goal, but the reality is that for 6th grade students this is a difficult challenge. Most likely not all students will perform, and that is okay. Please know that if your child does not meet the level of proficiency to perform the National Anthem that they are still part of the group, and will cheer on the performers and enjoy the game with everyone!

If you are chaperoning, feel free to combine your child's and your payment on one check, just make a note of it

in the memo section. Also, please make sure that you sign the enrollment form where it asks for parent/guardian signature. If you have questions, please contact Mrs. Mihalko or Mr. Drake.
